

## **Data Wrangling : Capstone Project**

Project Name: Indian Startup Funding

Funding details of the startups in India

Link: <https://www.kaggle.com/sudalairajkumar/indian-startup-funding>

Context

Interested in the Indian startup ecosystem just like me? Wanted to know what type of startups are getting funded in the last few years? Wanted to know who are the important investors? Wanted to know the hot fields that get a lot of funding these days?

This dataset is a chance to explore the Indian startup scene. Deep dive into funding data and derive insights into the future!

Possible questions which could be answered are:

- How does the funding ecosystem change with time?
- Do cities play a major role in funding?
- Which industries are favored by investors for funding?
- Who are the important investors in the Indian Ecosystem?
- How much funds do startups generally get in India?
